DEDICATION TO THE

Throughout it's four years at Attleboro High School, the Class of 1995 could always count on two special people. Their hard work and dedication was a big part of what made our High School years special; without them we would not have been able to look forward to the numerous activities and privileges we enjoyed. Whether we had personal problems or ideas that concerned the whole school, these people were always willing to listen and offer advice. The Class of 1995 would like to let these two persons to know that their effort and commitment to our class has been greatly appreciated, and that they will always hold a place in our memory.. That is why we would like to dedicate the 1995 yearbook to our class advisors, Mrs. Cordell and Mr. Pond.

SOPHOMORE GATHERING FRESHMAN SOCIAL

FRESHMAN SOCIAL
WONDERFUL TONIGHT

Jessica Watters does The Y.M.C.A, a favorite at dances.

Mr. and Mrs. AHS having a great time at the social.

The Class of 1995 kept many traditions alive on June 5, 1992. The night began with all the excitement, nervousness, and expectations that had been known to plague a Freshman on their Social night for many years. When we got to the dance after what seemed like hours of preparation and picture taking, we all sat at a table, too nervous to be the first ones on the dance floor. After a while, people loosened up, and we started to have a little fun. After a few hours of dancing, we were allowed to make our own ice cream sundaes, which felt great because we were so hot with all those people jammed inside the pit. Around ten o'clock we got the traditional bomb threat that all Freshman Socials seem to get. We didn't let that bother us too much though, because we were having too great of a time. When eleven o'clock rolled around, it was time to say goodbye to everybody, and goodbye to our Freshman Year.

Jeff Breese and Ana Easton smile for the camera. (Left)

As I look back on our first three years at AHS, I remember all the friendships that were made and all of the many events that occurred here, mainly winning Powerpuff and the Egg War of '94. I am also looking forward to spending our final year with the class of "96" in our senior year. The only thing I can hope for is that the valuable friendships and experiences that we have come across during the three years we have spent here will last and be of value in the years to come.

SOPHOMORE STUDENT COUNCIL

The class of 1997 has had two successful years at Attleboro High School. During freshman year and throughout sophomore year, we have learned that we are all individuals. Half of our high school years are over, but we have learned so much . . . . academics, athletics, friendships and memories that will last forever.

We are all different, yet together we have combined our uniqueness and our many talents to form the class we have become the class we can all be proud of!

Hi!

I am Alia Duisekeeva and I am from Almaty, Kazakhstan. I want to say thank you very much for my year in Attleboro High School. I am having a good time. I never thought at first that I will say it, I had a hard time with language I can not say that I speak perfectly, but it is better then I ever could believe. I am kind of proud of myself, but I never could do it without you guys.

The time passed very fast this year. I feel like I just came here, but it is time to leave soon. The American life that I have lead will be just a memory, but I will never forget all of my experience and the time I had here.

Attleboro High School is one of the best schools I have ever seen. I thought that it is not going to be anything just big building where I never can find right room, but now it is my school. I am very glad that I can say it.

To my friends who always helped me to learn English, and always said to me, "Hi, Alia!" with a smile-thank you very much. My family, who helped me with everything and who gave me a big hug and love . . . THANK YOU very much. My teachers who had a hard time with me at first and who helped me a lot, thank you.

I am so glad that I got to know all of you! There are many things that I learned, not only about country, but about myself too.

I won't say "good-bye!", so "SEE YOU!"

Hi! I'm Naoko. I'm an exchange student from Japan. I love Attleboro High School. (Though I still can't say "Attleboro" correctly!) To tell the truth, I felt so weird about everything in the beginning. Everything was different (and strange) for me. But now, I'm used to these things and even feel more comfortable than in my Japanese school.

Japanese schools have a lot of stupid rules such as: students have to wear a uniform, the same shoes, the same hats, the same socks, even the same hair cut. (Boys have to have a crew cut, girls' bangs have to be above their eyebrows and their hair can't be loose.) We can't go shopping after school or go to movies or game centers. There is more freedom in this school and there are more choices.

I also like the people here. Everyone is so kind to me; teachers, students, and all my friends. This year would have been so difficult without these people. I love you all.

Love Nao.

Hi! I'm Virve Tossavainen from Finland, probably better known as "V". First time I saw the high school I thought I could never feel comfortable here because it was so big and I really didn't like the idea that I didn't know where I was going. But now I like it. I can't believe that my year is already almost over, it is unbelievable how fast time goes. It is not always easy to be an exchange student but I've never regretted that I came here. I've met lots of new people and have good friends. I've had the best year of my life so far. I want to thank the Attleboro High School and all my friends here, I will never forget you.

Love "V"

Hi Everybody!

This is Katharina. I'm your German exchange student (or I was). I really like you people, your school, and your city. Especially, I liked being at the school, 'cause there's so much to do. (Only the homework is a little too much sometimes.) Kelly N., remember, we have to celebrate! Katie K. and Andrea H., you better K.I.T.! And Melanie A., I see you sometime in France, right? And Derek S., you, too! Thanx for all the rides, P.T., Deno D. and everybody who had to drive me home. Good luck to all you college-goers and to the football team (you better beat Feehan and North). A big "Hi" to Jen B. Danny B, Erin C, Tanuja G., Julie W., Botum B., Sandy A., Ken A., Liz B., Jay H., Lauren C., Jim MacD., Kevin., Chamroeuh T., Jesse F., Mark K., Alicia E., Katie L., Emily D., Erik R., Bill B. and everybody else who knows me. I love you all! Thank you for all your support and help. I probably would have gotten lost without you. Remember to K.I.T., all right? And don't work too much over the summer, have a great vacation! I'll miss you all so much, I hope I'll see you again some day.

Love
Katharina

Student Council has always been a dedicated group of students who willingly contribute their ideas and opinions to improve the school. Over the years, it has become more and more involved with the administration by having weekly meetings and inviting Mr. Levine to join us and share his thoughts. This year in particular has given us a great as well as diverse group to work with. We have had a very productive year planning and participating in spirit weeks and rallys, an eighth grade welcome, dances and more. Student council held many great experiences for our school this year and shall continue on that path into the future. Thanks for an outstanding year guys.

The Board,
Matthew DuPlessie, Brandon Towl, Erin Cassidy, Elana Schaffer, Michele Leonard

The Senior class of 1995 at Attleboro High School was productive in all aspects of life; academics; athletics; extracurricular activities and community services. Along with excellence within these categories, they showed great leadership and commitment. Much of this leadership came from the senior student council. From the class officers to the honorary reps, the whole council committed to serving their fellow peers in the best possible way. Throughout the years this council along with their amazing class advisors, Mrs. Cordell and Mr. Pond, have organized successful events for the Class of 1995. This also would not have been possible if the class as a whole did not work well together and show compassion and sympathy for each other. Overall, the senior student council was successful because it showed great leadership and understanding towards their fellow peers.

Your Senior Class President,
Kalpesh Patel

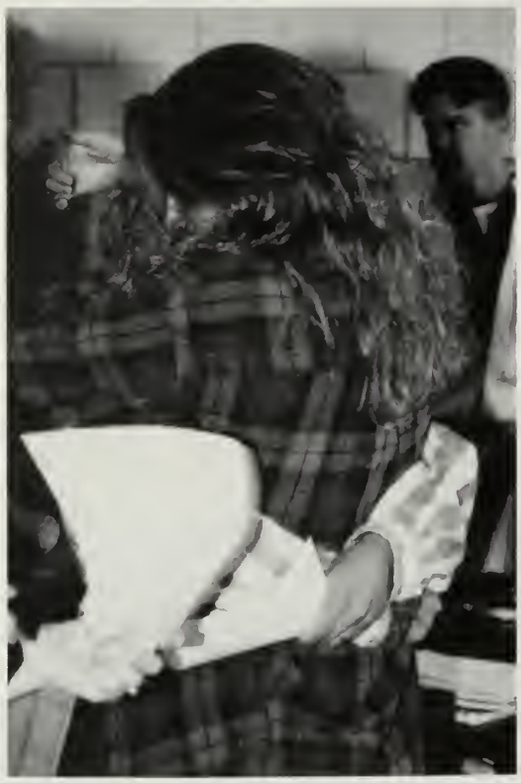
COLORFUL FRIENDSHIPS . . .



Melanie and Kate know that Best Friends Share um . . HUGS.

(Below) Katie and Amanda have been friends so long, they even dress alike

If anything, our friends are probably one of the only things we'll remember from our High School years. A good friend is like your oldest pair of shoes. You know, the ones that fit just right because you've had them forever. They have been there through everything with you, and they are never uncomfortable. Good friends have been there through the good times and the bad. Friends have helped you, as you have helped them. The only question is, will you keep them after High School? Some will, and others won't, but everyone will always have their memories. (And the stuff you borrowed but never had the chance to return.)

Kate, Jim, Melanie, Debb, and Matt take time to pose for a picture on a summer night.

VALENTINES DAY

The Valentines Day Semi-Formal was the first time that everybody in AHS had the opportunity to get dressed up with everybody in the school. The dance was held on February 11 and was sponsored by the Senior Class. The dance was well attended by underclassmen, with only about 15 Seniors there out of 200 people. Everybody had a great time, and surprisingly, there were no injuries from the big group of people that were slam-dancing.

These Senior girls are not camera shy.

Heather and Lauren take a minute to rest from dancing to chat.

What a great time we had with everybody dancin!

Crooked Nail in the Wilderness of Reality

Time eludes those moments of insecurity in the eyes of love. Days escape the burning reality of political warfare. Our souls are holding back our dreams as we are pointed in the direction of a one sided future.

Freedom, love and equality conquer each wall that separates our fears. Danger of fearing the unknown possibilities that may never return. Hidden under the shadow of a love never received, never thinking memories are left far behind.

The lessons learned include desire, hope, pain, confusion, fear, loneliness, peace and love. Existing on emotion alone brings answers to every problem. The mind in control of every aspect of the snakelike ride. The ability to feel, envision, and escape becomes a life of purity.

Numbers bring a family of brothers and sisters. Learning to be a listener or forgiver. As we ride our white horses we discover unforgettable companionship that lives 4-ever.

The past, the present, and the future is all under control of the mind. Learn to be free and survive in a misleading society. Live long in love and escape the reason for negative emotion.

GRADUATION

Here we are today,
Together for the last time.
Some of us will be successful,
Some won't be far behind.
There is no way to know,
What future lies ahead,
We are to be the future
As someone famous said.
We will learn to be proud and confident,
And not to quit the fight.
As the final bell rings today,
And we leave good friends behind,
Let us focus on what's to be ahead,
And what we are to find.

Buying my precious time
Sitting back for the question
The clock ticks away slowly
The days pass by rapidly
Almost, there, almost done
Counting down to the end
When we are handed the honor
The hats will fly in the air
Smiles, tears, and laughter
Parents, friends, teachers, and love
So many years, so much work
It's finally done, it's happened
Departure, once looked pleasant
Now hurts more than a wound
Keep in touch, but you lose each other
The night ends too fast
Goodbyes are said to all
You leave triumphant and depressed
One last look behind before
You take the next step to the future
Then it's gone behind us all

It's Been Quite A Year

It's sure been quite a year
I'm sure you'll all agree,
The changes they were oh so many
Who knew what they would be?

We had our laughs, we had our cries
Yes, and lots of fun!
We thought the times would never end
They'll sure compare to none.

Our big boys completed the mission
It was such a glorious day!
We even saw tears, we didn't know were there,
How it felt, not one could say.

Of course it wasn't all a smooth, smooth ride
Sometimes, who knew if we'd get through.
Yet we pulled together, and formed a bond
There was nothing else to do.

Friends were made, friends were lost
But no one will forget
The proms were here, and then were over
Yet the magic, it was kept.

But when all is said and done
And it's time to say goodbye
We'll walk away with a quick glance back
and say,
Gee, It's been quite a year.

BOROHIGH SCHO

BORO HIGH SC

SENIOR CLASS HISTORY

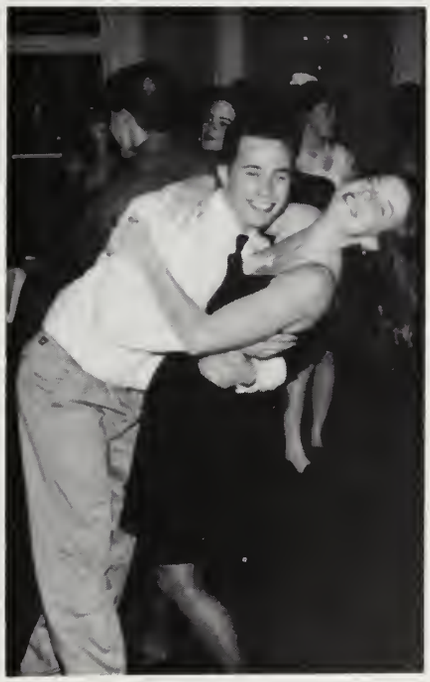
The Class of 95 began high School in September of 1991. Our first day of school was a breese, but that's only because Freshmen had the school to themselves. The next day was the rough part. All the classes that it took you twenty minutes to find the day before, seemed to have moved overnight, because now it took you a half hour to find them. The teachers were very lenient on us though, and by the end of October we were starting to find out what High School was all about. The Friday night Football games became the biggest social event of the fall, considering we had no where else to go. In October, we also had our first spirit rally. Although some of us really tried to get into it, we just didn't know what to expect. Because of this, we came in last place, but that was expected of us. After the experience of our first few months at AHS we were exhausted and welcomed a long Christmas break. Midterms came in February, and although it didn't seem like we would at the time, we all survived them. Throughout the spring we all anticipated our first class event, the Freshman Social. It was held on June 5, 1991 and the theme was "Wonderful Tonight". After we had been dancing and taking pictures for a while we made our own sundaes. Following the dance, the common place to be was at L.A. Roberts having a late dinner. Finally, our Freshman year ended after a tough battle with finals, and it was summer time.

Sophomore year started a little better than Freshman year. We weren't freshmen anymore, we knew where our classes were, and we had friends. We came in third place at the Spirit Rally this time. We knew what to do and expect, but we just couldn't seem to get it together as a class. We had a Sophomore dance just before Christmas vacation, and everybody that attended seemed to have a great time. Our Sophomore gathering was held just before February vacation at the Elks Lodge. Everybody danced and had a good time despite the problems we had. At the end of the year we had another Sophomore dance that was well attended. Many people spent most of their time in the courtyard trying to get away from the heat of the Pit. It was a good way to say Goodbye to our Sophomore year and Hello to our Junior year.

SENIOR CLASS HISTORY

On the first day of school this year, we had finally reached the top of the ladder, and the Seniors knew it. We were alot more confident than ever before, and everybody was anticipating the start of their last year of High School. While many people still had no idea about what they wanted to do after High School, college admissions deadlines called for people to make a decision. When it was time for Spirit Week, the seniors felt so confident about winning that it didn't even seem like we would have to show up to win. Right before the rally, we had our class picture taken, and our spirit was increased incredibly when we all entered the gym together to "The eye of the tiger". Needless to say, we got first place. The Powderpuff game was another story. The Senior girls were so pumped for the game after breakfast at Beckie's, face painting, and listening to "Killing in the name of. . " a hundred times, but couldn't find victory to the Juniors. We gave up a good fight though, and considering their team was twice the size of our team, we only lost by a score of 8-0. If we hadn't held our star player (Eric Nelson) out of the game until four seconds before the end, maybe it would have been different, but who knows? Thanksgiving Day was a highlight for many Seniors. Just the thought that the Seniors in the Class of 95 had what it takes to beat North Attleboro after no other team had done so in ten years made the entire class proud. At midterms, many of the Seniors fell in love with the idea of exemptions from final exams. It was rough some times, but we got through our last midterms in High School. During the winter season another great accomplishment was made when the Girl's gymnastics team had an outstanding undefeated season, lead by Seniors Kathy Curran, Ana Easton, Kelly Powers, and Corey Martin. Also, Senior Basketball Co-Captain Tom Sherman was the only person in the EAC to score his one thousandth point this year. The Senior Semi-Formal was held at the Norton Country Club in December. We had dinner, and then everybody danced. Some people would not leave the dance floor even if it meant they were the only two on it. Everybody had fun, and it was a great way to end 1994 and start 1995. Now, as our Senior Year, and High School is coming to an end, we still have many things to look forward to. We have our Senior Privileges, Senior Cruise, and Senior Class night, among other things to look forward to, but one thing that is on everybody's mind is GRADUATION. Best of Luck to everybody in the Class of 1995!

SENIOR SEMI-FORMAL



SENIOR CHRISTMAS DANCE

The Senior Christmas Dance was the first time, as Seniors, that the Class of 95 had the chance to do something as a class. The dance was held at the Norton Country Club on December 18, 1994. We had a chance to dance when we first got there, but when it was time to eat our dinner, some seniors weren t ready to stop dancing yet. During dinner, some tables got a little loud at times, but it was all out of fun. Some seniors thought that one of the best things about the night was the waitresses. After dinner, we had so much fun dancing the night away that we convinced the D.J. to stay a little longer than he was getting paid for. When it was all over, Some people went home, some went to eat, and some played with Christmas trees at Sara's house, but in the end, we all had a great time.

Attending Friday night football games was, for many students an experience we will never forget. This was one of the most common things to do on the weekend. So common that many alumni could be seen along the sidelines during the games. They probably missed the familiar sights at Tozier-Cassidy Field, such as the concession stand, the fans in the bleachers, or the scoreboard that always had the home team with the most points. Maybe it was seeing the current students of AHS, or their old friends. It could have been the hot chocolate. It may have been that they wanted to watch a good game of football, or they might not have had anything else to do. Whatever it was, something kept the fans of AHS Football coming to the games this year, and, hopefully they will continue this tradition next year.

TO THE GIRLS SOCCER TEAM

WE HAD A GREAT SEASON AND ALTHOUGH WE DIDN'T FINISH AS GOOD AS WE HOPED TO WE STILL HAD A GREAT SEASON. WE HAVE ALOT OF MEMORIES TO LOOK BACK ON FOR THE 1994 SEASON. WE WERE SO CLOSE TO MAKING STATES MISSING ONLY BY ONE POINT. HOWEVER WE HAVE THE SATISFACTION OF KNOWING THAT WE BROUGHT THE CUP HOME ONCE AGAIN. WE WANT TO WISH YOU LUCK FOR NEXT YEARS SEASON AND REMEMBER KEEP THE CUP HOME WHERE IT BELONGS.

With only two years of varsity experience under their belt, the Girl's Soccer team had a very successful season. The girls showed hard work and determination during each of their games and practices. Determined to make a name for themselves, the team began their training by spending two weeks at Camp Manitou in August. From there, they continued to grow and work together as a team through double sessions, fundraisers and games. Best of luck to next year's team.

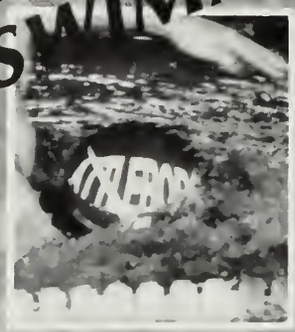
ATTLEBORO GIRLS SWIMMING



The Girl's swim team started off with a rough season, losing to the top teams in our league. We were able to pick up a few wins later in the season, but were not able to achieve a winning record.

We did have fun swimming together and had a great time at spaghetti suppers and breakfasts. Thanks to Mr. Bonneville for anothr fun season. Thanks also to everyone on the team who made it great. Good luck to everyone next year and to future teams.

The Girl's Swim Team had a season that the members of the team will probably never forget. One of the things that the team is known for is the team-building events that they held, such as their spaghetti suppers and team breakfasts. These events meant different things to different people, but a common thing that they agreed on was that they built team spirit. Team spirit was one of the things about the Girl's Swim Team that anybody walking through the pool entrance of the high school couldn't help hearing about. Cheers could always be heard from the girls, whether they were losing or winning by thirty points. Even through closed doors, you could hear them cheering each other on. Keep up the spirit girls!

Unfortunately, the team will be losing two great seniors but, will be getting back their seven top runners. Good luck to Dan and Bill. Next year the championship is up for grabs and the A.H.S. boys are willing to go that extra mile!

THANKSGIVING DAY GAME

-Douglas MacArthur

Abby Cordell and Meeghan Duplessie sing during the halftime show.

The crowd goes wild after an Attleboro touchdown.

Senior Co-Captain Dan Warchol waits for the pass.

The offense finds out what the play is in the huddle.

For the first time in ten years, the turkey everybody in Attleboro ate actually tasted good on Thanksgiving Day. Everybody that listened to, watched, or heard about the Attleboro victory thought so anyway (except for the North fans, of course). The Attleboro team pulled together to win the annual game by a score of 22-8. While counting the final seconds away, the Attleboro fans rushed the field to congratulate the team and their friends. Senior Chris Burns was the recipient of the Balfour trophy for Defensive player of the game. The team finished off a 9-1 record for the season with this game, which made it even more special that it was North that they beat. No victory could have ever tasted this sweet for the 94 team and it's fans. Congratulations guys!

"Victory at all costs, victory in spite of all terror, victory however long and hard the road may be: for without victory there is no survival."
-Sir Winston Spencer Churchill

To the Graduates of the Class of 1995:

On behalf of the School Committee and the Central Administration, I want to offer you all, graduates of the Class of 1995, our hearty congratulations and best wishes on the successful completion of your studies at Attleboro High School. We sincerely hope that the experiences and preparation you have received here will give you special insight and abilities to create a wonderful future for yourselves, your families, and your community.

STATISTICAL DATA CENTER/SCHOOL COMMITTEE

Edward Stanton

Linda Feeny

Pat Heurich

The Statistical Data Center is an Attleboro School System central office support facility located on the second floor of "B" building in Attleboro High School.

The center provides grade reporting, scheduling, and discipline tracking services for high school students. Daily attendance records are maintained for all grade levels.

A local area network (LAN) at the high school connects all administrative and student service offices. Other system schools are also connected to the center computer server.

The center is responsible for evaluation and acquisition of tecnological systems. More than five hundred computer/technology units, and twelve computer laboratories, throughout the school system, are maintained.

The staff currently includes an administrator, a full time senior clerk, two part time clerks, a technical specialist, and a part time high school student.

EDITOR'S NOTE

Tanuja Goulet

Debb Couture

IT'S FINALLY DONE. AT TIMES, IT SEEMED LIKE THOSE MEETINGS LASTING UNTIL 5:00 WERE NEVER GOING TO END; BUT THEY DID, AND WE WILL PROBABLY END UP MISSING THEM IN TWO WEEKS. THIS YEAR, WE TRIED TO MAKE THE YEARBOOK A LITTLE MORE INTERESTING THAN IN YEARS BEFORE. THIS WAS ESPECIALLY HARD, CONSIDERING THERE WERE NEVER MORE THAN FOUR PEOPLE AT OUR MEETINGS. AT THE BEGINNING OF THE YEAR WE HAD LOTS OF HELP, BUT THAT WAS BEFORE WE REALLY GOT DOWN TO WORK. WE APPRECIATE EVERYBODY WHO TRIED TO GO REGULARLY THOUGH. WE ALSO WANT TO THANK MR. BURBANK, OUR ADVISOR, FOR SHOWING US THE ROPES AND PUTTING UP WITH SOME OF OUR CRAZY IDEAS. TO THE CLASS OF 95, KEEP SHOWING YOUR "TRUE COLORS" AND WE HOPE YOU LIKE IT.
